## Notes

I have tried to make your 4 art and design units fit the 3 half terms – hence the ‘Art Skills’ unit is in the terms for both Autumn 1 and Spring 1

Kapow suggests the following amount of lessons for each area:

Formal Elements of art = 5 lessons

Skills = 6 lessons (5 lessons in Y6)

The other two units have 5 to 6 suggested lessons (Year 5’s Every Picture tells a story has just 3 lessons)

Please adapt and enhance the suggested timings, themes and lessons in order that they fit your timetable, maximise your own skills and also meet the needs and experiences of your children.
