

Maths

Multiply unit fractions by an integer	Decimals up to 2 d.p.	Understand percentages
Multiply non-unit fractions by an integer	Decimals as fractions (1)	Percentages as fractions and decimals
Multiply mixed numbers by integers	Decimals as fractions (2)	Equivalent FDP
Recap Calculate fractions of a quantity	Understand thousandths	Adding decimals within 1
Fraction of an amount	Thousandths as decimals	Subtracting decimals within 1
Using fractions as operators	Rounding decimals	Complements to 1
New content Fraction problem solving	Order and compare decimals	Adding decimals - crossing the whole

English

We are reading 'Zoo' by Anthony Browne which looks at how humans can sometimes behave like animals and culminates in a long, planned piece of writing looking at the advantages and disadvantages of zoos; children will participate in debates and write a discursive argument including their opinions of zoos.

P.E

Children will need their P.E. kits on Wednesdays and Thursdays but it's advisable to send it on a Monday and then we'll send it back on a Friday for washing, just in case plans change.

Year 5

Mr. Naylor and Mrs. Scrimshaw

Foundation subjects

French - Le Retour du printemps (The return of spring)
 Science - growing up and growing old
 Computing - Mars Rover 1-Data transfer and binary code.
 Geography - Journeys - Clothes
 D&T - Structures- bridges. Textiles- stuffed toys

Reading Schemes and Books

We are continuing to use the Accelerated Reader scheme. We have recently completed an updated reading assessment so children have up-to-date reading ranges. Children get to choose their own reading book based on a reading range that is given to them following an assessment at the beginning of each term. Once the reading book has been completed, children need to complete an online quiz. Due to the restrictions we have in school, we no longer have a dedicated computer suite slot so we would like children to complete these at home. The link to completing these quizzes can be found in our Google Classroom, pinned to the post about how to access home learning on the 'Stream'.

Homework

These are the homeworks given every week:

- Spelling list
- Maths homework book pages
- S.P.A.G. homework books pages
- The Reading Comprehension homework booklet has been completed.

Additionally to that, we ask that children do the following to help improve the associated skills:

- Read out loud (20 minutes per day recommended)
- Times Tables Rockstars (20 minutes per day recommended)

Star of the Week

We will be awarding a Star of the Week every Friday and will be giving children a booklet. It needs to be completed and brought in with their favourite book that they'd like to talk about and we will make time in class to celebrate your child's achievements if they have been selected.
