Safer Recruitment

Safer recruitment practice aims to minimise the risk of appointing an individual who is unsuitable to work in a post where they will be in contact with children or vulnerable adults and could cause them harm. This school is fully committed to the principles of safer recruitment

Our selection processes observe best practice in selecting the appropriate candidate by ensuring equality of opportunity for all applicants whilst excluding any who may be unsuitable to work with our children. All candidates are expected to understand their own duties and responsibilities in regard to child protection and safeguarding with due relevance to the specific post advertised.

The Disclosure and Barring Service (DBS) helps employers to make safer recruitment decisions and to prevent unsuitable people from working with vulnerable groups, including children. It is a criminal offence to offer (or indeed to apply for, or to accept an offer of) employment in certain designated posts (those which involve working with children in what is defined as regulated activity) to a barred individual.

Accordingly, some or all (depending on the precise role) of the following steps will be taken as part of the recruitment processes:

- Confirmation of identity by sight of original official documents (Birth Certificate, Passport etc)
- Confirmation of professional qualifications (those required to fulfil the post) by sight of original documentation.
- Full scrutiny of employment history with clarification to be sought (from candidate or referees as appropriate) in the event of identified gaps or discrepancies.
- Satisfactory references – a minimum of two written references (one of which must be from most recent employer) will be taken up prior to interview.
- The identity of all referees must be open to verification.

In accordance with DBS regulations all candidates for relevant posts are required to provide details of any relevant unspent convictions. Additionally, for those posts involving “regulated activity”, all “spent” convictions must be disclosed under the Rehabilitation of Offenders Act 1974.

- A DBS check will be requested for appointments to all relevant posts.
- For those involved in “regulated activity” this will include an additional check of the Children’s Barred List.

Any conditional offer of employment will be made strictly subject to receipt of all required documentation (as specified) and satisfactory verification of all checks as above.

Northowram Primary School

Policy statement on the recruitment of ex-offenders

New legislation now requires all registered bodies and prospective employers to ensure that any applicants, subject to Disclosure and Barring Scheme (DBS) checks, who have a criminal record must not be unfairly discriminated against because of a conviction or other information revealed.

In addition registered bodies and employers who undertake Regulated Activity (Schools) must have a written policy on the recruitment of ex-offenders, a copy of which can be given to DBS applicants at the outset of the recruitment process.

As a Regulated Activity provider (RAP) all paid employees at Northowram Primary School provide regulated activity and are therefore subject to checks with the DBS.

This policy statement should be read alongside our Equal Opportunities policy.

Policy Statement

As an organisation using the Disclosure and Barring Service (DBS) checking service to assess applicants' suitability for positions of trust, Northowram Primary School complies fully with the Code of Practice. We undertake not to discriminate unfairly against any subject of a DBS check on the basis of a conviction or other information revealed.

Northowram Primary School is committed to the fair treatment of its staff, potential staff or users of its services, regardless of race, gender, religion, sexual orientation, responsibilities for dependants, age, physical / mental disability or offending background.

Northowram Primary School actively promotes equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates, including those with criminal records. We select all candidates for interview based on their skills, qualifications and experience.

In relation to volunteers and contractors, we only request a DBS check after a thorough risk assessment has indicated that one is both proportionate and relevant to the position concerned.

For those positions where a DBS check is required, all application forms, job adverts and recruitment briefs will contain a statement that a DBS check will be requested in the event of the individual being offered the position.

We encourage all applicants called for interview to provide details of their criminal record at an early stage in the application process. We request that this information is sent (under separate, confidential cover) to the Head teacher and we guarantee that this information will only be seen by those who need to see it as part of the recruitment process.

We ensure that all those in our school who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. We also ensure that they have received appropriate guidance on the relevant legislation relating to the employment of ex-offenders, e.g. the Rehabilitation of Offenders Act 1974 and know how to access advice and support e.g. from our HR service, registered body, the DBS, etc.

At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.

We undertake to discuss any matter revealed in a DBS check with the person seeking the position before withdrawing a conditional offer of employment. This discussion and any subsequent risk assessment may be undertaken by senior leaders in school or by our HR service.
